8th Annual
Scholar-Athlete, Coach and Community Recognition Banquet

Tuesday May 21, 2019 ~ Mount Rainier High School
Welcome to the eighth Annual Highline Public Schools Scholar-Athlete, Coach and Community Recognition Banquet. We are extremely proud of our student athletes on and off the field. We believe athletics provides a place for students to gain valuable leadership and teamwork skills that will help them as they continue their education and pursue their dreams. Much of the success our student athletes achieve is in large part due to the support and mentorship from coaches and community members. The tireless work and dedication of these individuals creates a lasting effect on the young people they serve. I want to personally thank everyone who has made tonight possible and offer my congratulations to every individual we are honoring tonight.

Dr. Philip Willenbrock, Director of Athletics

I welcome you our annual signature event of celebration, which helps to remind me how proud I am to serve in the Highline School District alongside passionate educators focused on preparing each one of our students for the future they choose. The generosity of our staff, community partners, service organizations, local businesses, passionate alumni and others allow this event to sustain and grow. We gather this evening to celebrate and recognize the significant accomplishments and contributions of our students, coaches and members of the greater Highline community who set a standard of leadership and service for others to follow. To all of our honorees tonight, thank you for contributing to education-based athletics whether as an athlete, coach, mentor or community member.

Anne Baunach

Executive Director Highline Schools Foundation

The Highline Schools Foundation is excited to be a partner in the eighth Annual Scholar-Athlete, Coach, and Community Relations Banquet. The Foundation was started in 1999 by parents and community members to help raise critical funds for students, teachers, and staff in Highline Public Schools. Athletics is one of the areas of focus for the Foundation as we believe that every student, regardless of their ability to pay participation fees, should be able to play their desired sport for their school. We help the district by raising the support to cover the fees that these athletes need. We also believe in the power of education and so appreciate being able to help these students as they look beyond high school to college. We wish the best to all the scholar-athletes being recognized this evening.

King 5 Emmy Award-Winning Sports Anchor

As an Emmy Award-winning sports anchor, I’ve enjoyed over two decades at KING 5. It’s afforded me some awesome experiences, including Super Bowls, NBA Finals and my favorite Seattle sports experience of all — the 1995 Mariners playoff games at the old Yankee Stadium.

In addition to my anchoring duties on regular newscasts, I also host two other programs. The 5th Quarter is a prime time Seahawks program that airs Sunday nights after NBC’s Sunday Night Football. The Blitz is our high school football show that streams live on KING5.com every Friday night during the prep football season.

My journalism career started as a sports reporter at the Hickory Daily Record in North Carolina. I followed that up with a job at the Columbus Ledger Enquirer in Georgia, before making my way back to my home state of Michigan and starting my broadcast career at WJRT-TV in Flint.

I earned a Bachelor of Arts degree in Journalism at Bowling Green State University, where I played football for four years, earning All Mid-American Conference honors as a placekicker.

I developed my kicking skills as an All-State soccer player at Lahser High School in Bloomfield Hills, Michigan.

My favorite sports are football, soccer and hockey.
