2020-21

Scholarship Recipient

Jonathan Felix-Garcia

Evergreen High School

Pay it Forward Scholarship

\$1,000

Jonathan is headed to the University of Washington where he received direct admission into the Foster School of Business. He plans to major in business administration with a concentration in information systems. He also hopes to major in informatics to further develop his skills in technology. "My career objective is to become a Cyber Security Specialist...I am fascinated by the intricacies of data and how one goes about installing systems for protection. It seems more hands-on and will allow me to work with others...Not only do you get to analyze and monitor data, but you also get to implement better systems. This career is one that I can see myself enjoying."

Jonathan loves to dance and create choreography which is why he volunteers at White Center Heights Elementary School's Dance Club. He will be the first in his family to attend college. With this scholarship, he will be able to buy textbooks, pay for housing, and cover other costs associated with his education. He is forever thankful for the generosity of this gift.

Highline Schools Foundation awards post-secondary scholarships to graduating seniors in Highline Public Schools. Thanks to generous funders, the Foundation is able to offer many different types of scholarships. This year, it is anticipated that over \$200,000 in scholarships will be awarded.
