

2024-2025 Highline Employee Giving Campaign

Highline Schools Foundation's mission is to raise funds, gather resources, and build partnerships that make an impact on students' successes in Highline Public Schools. We help our district fulfill its promise—that every student is known by name, strength and need, and graduates prepared for the future they choose.

Funding for Highline Schools Foundation comes from individuals, businesses, foundations, service groups, events and from generous donations made by district employees. Please support our work in Highline Public Schools by contributing to the Highline Schools Foundation during the 2024-2025 Employee Giving Campaign, November 4 - December 13, 2023.

100% of your pledge will be directed to the Foundation. Where Does Your Donation Go?

- **Basic Needs:** We work to provide for students and families basic needs, such as school supplies and backpacks, warm coats and shoes, and access to food resources. So far this school year, we have provided 74 pairs of shoes to students, and distributed school supplies to students in 34 schools.
- **Classrooms & Schools:** We support basic and innovative classroom and school needs through our Excel and Impact Grant programs— last year we awarded nearly \$50,000 in grants, and we anticipate awarding \$70,000 in grant funding this year.
- **College & Career Exploration:** We offer substantial college and trade school scholarships, programming to help students explore career paths and increase graduation rates. In the spring of 2023, we distributed over \$274,000 in scholarship funding to 50 students in Highline.
